THE STORY: Basketball brought the couple together when they worked for the Rockets. **THE DETAILS:** During a meaningful ceremony in the Cockrell Butterfly Center lobby, the bride and groom exchanged the same vows Sarah's parents shared 43 years earlier, adding readings from E.E. Cummings, Khalil Gibran and the bride's great-grandfather, Rev. Dr. Clinton Lee Scott. The bride wore a lace Provonias gown with hair and makeup by Solution for Hair. Her maids donned blue wrap dresses from Bella Bridesmaid. **THE PARTY:** A Fare Extraordinaire executed the seated dinner before guests grooved to eight-piece band Password. —HC
